## DISCIPLESHIP

Discipleship is a life long activity for every believer. This ministry will engage in it in obedience to the Lord's command, *Jesus came and told his disciples, "I have been given complete authority in heaven and on earth. Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age"* Matt.28: 18-20 (NLV) as a means of developing our members and transforming believers conform to the lifestyle of our Lord Jesus. We shall be dedicated to discipleship as a means of countering the moral decadence and decline in Christian values which the church is currently experiencing.

## MISSIONS AND CHURCH PLANTING

This is a cross-cultural ministry that seeks to take the gospel to where people have not had the privilege of hearing it, and to people who have not understood the gospel sufficiently enough to make a decision for Christ. This, we hope, will result in church planting. In particular, we shall be committed to contextualizing the gospel in order to make it more relevant and effective for any targeted group of people.

### LEADERSHIP DEVELOPMENT

The Ministry will seek to develop members of the Churches planted, by imbuing them with leadership skills and competence, provided such people believe and are committed to the doctrines and vision of the Ministry. As much as possible, the training will aim at raising sustainable leadership (2Tim.2: 2), while every member will be given the opportunity to participate.
