(COLOM) WORK UPDATE AUGUST-SEPTEMBER 2007

Our Mission Statement

OUR CONVENANT WITH GOD IS TO BE A LIVING CHRISTIAN MODEL, PROCLAIMING THE GOSPEL OF JESUS CHRIST TO MANY NATIONS WHOM WE KNOW NOT AND NATIONS WHO DO NOT KNOW US, AND MAKING THEM DISCIPLES AFTER CHRIST'S LIKENESS, BY THE POWER OF HIS SPIRIT. 2

COR. 3: 18.

Also, we would love you to pray specifically for SODA to be fully established in her faith, she is struggling over many things, after some days when the Ramadan started she asked me to permit her to observe the Islamic fasting, it was a good occasion to teach her deeper about faith in Christ. We desired her to be more real like the boy.

Again, the widow and her children are doing fine, though she is finding it difficult to adjust in the area of wastage of things so pray for her and that the Lord will reveal Christ to her personally. We foresee the Lord bringing her to the fold in the nearest future.

In our last update we called for prayers for the poignant raining season, thanks for praying it came though late but there will be harvest a bit. The testimonies of DIATTA and SODA have opened doors for others and we're expecting seven children more plus the five we had already making all 12, though in prayers we've ask the Lord to make the selection. Our major concern now is to fully prepare for their coming like making beds, food stuffs, school materials, etc. We're thankful to God for the provisions to run this ministry; we know it wouldn't have been possible without you! ***May He bless you richly?***

OPEN DOORS

In our one to one sharing of the Gospel, we see the Lord opening doors of opportunities to some

**Dear
Co-**

laborers,

May the grace and love of our Lord and Savior Jesus Christ be multiplied onto you that, His countenance will shine upon you.

We're delighted to share with you the progress of the work our father and master has committed onto us and the challenges facing us as co-laborers in this Ministry of reconciliation. As the kingdom of darkness is busy strategizing how to weaken the strength of our Lord's kingdom among the nations, so our king and master are calling us to arise onto His divine commission.

TESTIMONIES & PREPARATION

Praise the Lord that as the holidays is finishing and the children has begun returning to prepare for the 2007/08 school session; we did not hear any bad news as touching them we would want to appreciate your fervent prayers. SODA is having an extra moral class for a test into the Govt. secondary school and DIATTA passed the common entrance exams into the school as well, we thank the Lord that our efforts were not in vain, Their families never thought that they could make any progress academically like the scripture says "***that the stone the builders rejected has become the Conner stone of the house***". It's our prayer that they'll keep these efforts progressively.

Roman Catholic youths who desire to hear the truth, but there's a strong satanic rope hindering them not to reciprocate for teaching, but we trust the lord to draw them onto a personal revival. Their getting closer now is the Lord's doing and a positive answers to prayers.

“For God is working in you, giving you the desire to obey him and the power to do what pleases him”. *Phil. 2:13(NLT)*, Beloved we know that things are getting more difficult in this present age than when we first believed, but all we need is to obey to the things that gives Him joy. Will you?

NEEDS

- A. We're in dear need of mobility which could help us to visit the parents of the children; hence some of them came from far villages from Passy. Also, the difficulties we're encountering in transportation. In trying to rush for vehicles in the garage has brought embarrassments.
- B. Beloved, could you believe that we don't have access road to Nboundayi village where we had the Easter outreach and 28 people responded to accept Christ due to means of transport.
- C. Also, the construction of the Lord's House “Ker Boroom Bi” Orphanage home is a thing of prayer! No fund yet; the site have been covered with bushes.
